

Cowplain Bowling Club

Winter Newsletter

To all of our Members,

The members of the Committee, at this time of year, would like to wish you a very happy time over the Christmas period, and that the New Year will be full of enjoyable bowling.

This also comes with sincere thanks to you all for supporting the Club during the year in which the Club's membership has continued to grow and has led to many new friendships. A special thank you to those who have generously given of their time and efforts in making the whole bowling experience a real pleasure for us all; providing coaching, promoting the Club, hosting enjoyable Quiz Nights, running the "roll-up" sessions, fund raising, maintaining the green and the grounds (*not easy at times*), repairing and providing "TLC" in the Clubhouse, the cake makers, and providers of teas and coffees: your valued and continued dedication is the very foundation of the success and well-being of the Club and its members.

The winter season is well underway with many, when the weather allows, enjoying the four organised roll-ups held each week and the Brass Monkeys competitions are being enthusiastically played. Over the Christmas period the Club's roll-ups may become a little disorganised as those running them could have other commitments. If this happens please do still attend and just organise the games between yourselves. If you are feeling in need of a little exercise following the Christmas Day feasting, there will be a roll-up on Tuesday 26th December, and to make the morning a little special, if you have any edible "left over" goodies please bring them along.

If you would like to give good wishes to fellow members, cards can be pinned onto any of the boards, where you can find space, for all to read.

Please remember the Club's A.G.M. being held at 10.15 a.m. on Sunday 11th February 2018 in the Cowplain Activity Centre and if you do wish to submit a proposal for consideration by the members, please ensure that this is duly signed, seconded and forwarded in writing to the Secretary by Sunday 14th January 2018.

Also, looking forward to the spring time if you do have any shrubs lurking in your gardens that would like a change of scenery, Adrian would be delighted to hear from you.

Finally, this Newsletter comes with the hope that you are all wintering well and, if you have chosen to bowl indoors, that you are experiencing an enjoyable and successful time. Also that those of you who are taking it a little easier are enjoying the relaxation and we look forward to all meeting up again at the start of the 2018 summer season.

Best Wishes to All
Your committee
